HYDRO-PULSE™

A SOLID investment WITH A PROVEN PRODUCT

The great, new Hydro-Pulse™ gas boiler can

REDUCE Energy Costs 30% or more.

This revolutionary new heating unit, made by Hydrotherm, Inc., uses no burner, no pilot light, needs no flue, no chimney. It operates on the pulse combustion principle, which uses natural gas much more efficiently than conventional boilers. This means heating bills can be reduced 30% or more. If you're in a depression over high home heating costs, call us to learn more about Hydro-Pulse.

Hydrotherm® has certified this contractor for Hydro-Pulse installation and service.

$1,087,552.44 from $1,121,810.72. This was possible because of increased money received from the State. The $34,000 saved will be placed into Mattapoisett's Free Cash Account.

Article 2 was a reconsideration of Article 6 of the annual Town Meeting readjusting the Free Cash to reflect an increase in the town's share of the State collected taxes. $107,977.28 was voted to be retained as free cash and $60,000 will be used to reduce the tax rate.

Assessor John Gibbons estimated that the tax rate would remain the same or go up 11¢ per thousand if Article 2 passed.

Article 3 changed the election of officers to the first Tuesday of April and set the Annual Town Meeting to the first Monday of May.

Winfield Jenney moved that this article be indefinitely postponed because it proposed a major change in town government. He said that in his opinion such a change should be presented to the Annual Town Meeting. He said that if the town is moving the Annual Town Meeting to have State cherry sheet figures in hand, then the Annual Town Meeting would have to be held in December. According to Mr. Jenney, these figures never arrive before September or October, so it doesn't make a "darn bit of difference to the town meeting date". Town Clerk Lois Bassett said that election day is traditionally Tuesday and she considered it very important to have the election on Tuesday to avoid confusion. Selectman James Huntoon advocated the one month period between election and Annual Town Meeting to allow a

newly elected official time to become familiar with the budget.

Richard Chase seconded the move to indefinitely postpone the change. He said that he had no quarrel with the mechanics of the change but he did consider that such a vote in a Special Town Meeting would set a bad precedent. Too many important changes could be shoved through at a Special Town Meeting, he said.

The move to indefinitely postpone was defeated 47 to 18.

Article 3 was passed 50 to 14.

Article 4 was passed 50 to 4. This article would allow town departments to estimate receipt of fees and use that estimate as part of their operating budget. This would enable the town to use such fees in the present fiscal year rather than collect them in the general fund to be used in the next fiscal year. This move is designed to reduce the need for borrowing and thus avoid the expense of the high interest rates. It was explained by Town Counsel Donald Fleming that such fees would still go into the treasurer's office and that town departments

would still receive a total operating budget even if anticipated receipts do not materialize as anticipated. It is, he explained, a method of using such fees in the current fiscal year.

Article 5 was passed. This would enable the town to collect its own parking violation fines through a clerk in the Selectmen's office instead of such fines being collected in a court. It was explained that the secretary in the Selectmen's office would be appointed clerk so it would require no new personnel.

The meeting will be moderated by Betty Sawyer, LWV Health Committee Coordinator, and the speaker will be George B. Laban, Executive Director of the Southeastern Massachusetts Health Planning and Development Agency. Mr. Laban holds an MBA in Health Care Administration from the Wharton School, University of Pennsylvania. Among the areas Mr. Laban has been asked to cover are: an overview of the costs of health care, the sources of financing, and how health care rates are set.

Sylvia Bigelow, acting as consumer advocate and representative of the local LWV Health Committee, will ask Mr. Laban several pertinent questions, such as "Why have costs increased at a greater rate than inflation?"

In addition to the LWV questions, time has been scheduled for inquiries of general interest from the floor.

The local League is participating in the statewide League study on health care. The study, this year, is centering its interest on costs and financing; next year it will consider availability and types of delivery. Anyone interested in joining the Committee is urged to call Betty Sawyer at 748-0117.

King of Our Roads

Manny Nunes has built many a solid piece of public works that will outlast our power to evaluate it. Along the way he has built a lasting reputation which will be honored by friends and admirers on November 6th at White's Restaurant. When you take the high road along the Cape Cod Canal you travel a route carved by foreman Manny Nunes in the 1930's. He worked on this scenic route and on the approaches to the canal bridges and in that task gained the experience that has served fellow townsmen so well since he was elected Highway Surveyor on February 6, 1938.

department is impressive, not the least of which is the year round condition of Mattapoisett roads and streets. No town or city in Massachusetts enjoys more passable streets come snow or sleet or heat of summer. That is the day to day work of this department. For more spectacular achievements we recall the moving of the gigantic rock that is the Bicentennial monument at Shipyard Park. This tremendous boulder was snaked out of the woods behind Old Rochester Regional High School and the visible monument is only the tip of the iceberg. If Mattapoisett lasts a thousand years that rock is there to stay. No natural force will move it. Manny Nunes moved it as perhaps few in the country could, with the equipment at hand. That is the frosting

on the cake.

Manny built the road to the landfill dump across swamp that one should tread most carefully. The Tinkhamtown Bridge was another massive project, Mattapoisett Neck Road from Route 6 to Antassawamock, Brandt Island Road. Manny's crew laid the 24" pipe from Water Street to Upland Way. These are some of the big jobs and as they were being done the town was enjoying very passable streets free of potholes and snow.

Manny Nunes' reputation spreads far from his home town where he was born August 23, 1903. He has been active in County and State Highway Associations for years. On September 24, 1979 he traveled to Portland, Oregon to receive the Samuel A. Greeley Local Government Service Award in recognition of his outstanding service to Mattapoisett over his 42 years on the job. This award was presented by the American Public Works Association. At Helle's Blazes on "Manny Nunes Day" on August 17, 1981 he received a plaque from Barnstable County Highway Association in recognition of long membership and interest, and also a plaque from the Plymouth County Highway Association for 44 years of dedicated service. A citation was presented by Representative Charles Decas from the Massachusetts House of Representatives. A letter from Plymouth County Selectmen's Association President John DeCosta recognized Manny's achievements to John DeCosta's home town on that occasion.

Manny Nunes' active life among his peers has resulted in high honor and high office. He is past president of the Massachusetts Highway Association, 1972-1973, and now is on the Board of Trustees. He served two years as President of the Plymouth County Highway Association and serves at present on its scholarship committee. He is a mem-

Manuel R. Nunes, Jr. is probably the most experienced man of his profession in not only our locality but the United States. He is a native son that Mattapoisett is fortunate to have active over a long and distinguished career. Not only do Mattapoisett people appreciate his work and his worth they like him as well and will celebrate with him on November 6th.

NEW RULES: SEARCHING FOR SELF-FULFILLMENT IN A WORLD TURNED UPSIDE DOWN by Daniel Yankelovich

The author of this book is one of America's foremost analysts of social trends and public attitudes. The proposition of the book is that the era through which we are passing - with its emphasis upon "self-fulfillment", "me first", "self actualization through economic well-being", a self-congratulatory philosophy of life for a materialistic age - is now coming to an end. While these attitudes are valid within limits, their extremes have brought about some of the least attractive chapters in recent private and public life.

Now, the trend, the moving is toward an era of caring and commitment, of reaching out for meaningful personal relationships, and a commitment to that which is right and true and good. "Rich in things, poor in soul" has left our age without a clear sense of the meaning and purpose. The book may inspire someone to turn to the New Testament for a clear statement of "New Rules" for an ever new age.

ANOTHER ANNIVERSARY CELEBRATION

Rochester Regional Junior High School after she and the rest of her class viewed a filmstrip entitled "Child Abuse and Neglect".

This filmstrip and the discussion afterwards, presented by Robin Cambra and Ed Blanchard of the Marion Center for Human Services, revealed statistics such as the fact that there has been a 400% increase in reported child abuse and neglect cases in this area in the past three years.

Students were also made aware that a designated employee, who is now protected by law, takes over the responsibility and follow-up investigation when any person calls or writes Marion Center for Human Services about a suspected child abuse situation. Telephone numbers were made available to students and teachers for use in any such cases.

This presentation was the 4th of this type that has been employed as part of Project Uplift to expose students to the wide range of community resources available in an attempt to stimulate interest in developing investigative writing and research skills.

It promises to be a fun-filled evening with dancing to the music of Ray Pedro and his "Dancing Machine". A delicious hot hors d'oeuvres buffet will be served.

The date to remember is November 6th, from 8:00 p.m. to 12 midnight. The location is the Pine Hill Pavilion, Middle Road, Acushnet.

Call Helen Higgins at 758-3897 or Nancy Davis at 758-9644 and get your tickets while they last. The future success of the M.Y.A.A. depends on your support, so come and join the fun!

Historic Commission

Some people who have had their homes researched and received a marker have expressed a desire to help the Commission in their work by donating to this cause. We are now in a position that we would most willingly accept these funds in order to continue our research at the Plymouth Registry of Deeds starting in January. Without the money we will not be able to do any more work on dating houses this year. The Finance Committee has suggested that we ask for donations on a volunteer basis. In the last few years, budget restrictions have not allowed for an increase over the past year's budget by $100.00, thus creating the problem which we faced this year, in order to cover needed expenses.

The first and foremost assignment the Commission has is to finish and file an inventory of the town's historical assets with the Massachusetts Historical Commission in order for the State to create

a State Preservation Plan. This is also vital to a town's planning if it is to preserve the best of the past for the future and today.

The historic marker project was started in 1976 as an outgrowth to this research into the dating of the town's old buildings. In order to control continuity, integrity and quality of these markers, it was voted to raise the money from taxes and have the commission actually own the signs awarded to the buildings. The spirit and enthusiasm for this project has been overwhelming and appreciated. The commission will keep the same policy which we originally voted on. However, people who have understood our lack of funds and who would like to make a donation toward our work may do so by writing a check to: The Town of Mattapoisett, Historic Commission Budget.

Wednesday's game at Tabor.

Tabor dominated the entire game but was unable to score in the first half giving St. George's a one point lead 0-1 at the half. After St. George's scored again early in the second half Tabor came alive and scored 4 unanswered goals, the first 3 coming in a four minute burst.

The season record thus far is 2-6. This week's game, Wednesday, October 21st, will be on the Tabor campus against Rivers Country Day School. Game time is 3:15 p.m.

VARSITY "B" SOCCER

Tabor Varsity "B" soccer team beat St. George's 2 to 0 last Wednesday at Newport.

Tabor scored 2 goals in the first half while going up-hill on a slanted field. One goal was scored by Eric Kingman and a header was scored by Aaron Der Marderosian.

The season record thus far is 3-2. This week's game, Wednesday, October 21st, will be against Rocky Hill School on the Tabor campus, game time 3:30 p.m.

HALLOWEEN WALK

On Halloween Night, Saturday, October 31st, the ghosts and goblins, witches and spooks will again come to haunt the grounds of the Children's Museum. Children 12 and under accompanied by an adult are invited to dress in costume and walk the dark trails of the Museum property to see what might be lurking behind the mysterious shapes of the Maples and the Pines!! Walks through the haunted woods are FREE. They begin at 8:00 p.m. and continue throughout the evening.

Uncle Mortimer extends an open invitation to all those who dare to visit his Haunted House!!

The story of "John Brown's Body" will again be told for anyone brave enough to hear it to the end.

Halloween games, cider pressing and refreshments will be available in the pavilion.

So, don't forget Halloween night at the Children's Museum. Listen for the witches cackle! Beware of spiders and flying ghosts! Expect the Unexpected! But don't be afraid!

Easy Chicken Divan

Hard-cooked eggs enrich many cooking sauces. This quick main dish features nuggets of garden vegetables and chicken pieces from Campbell's Chunky Chicken Soup. Hard-cooked eggs and Cheddar cheese added to the soup make it a rich chicken sauce.

To make perfect hard-cooked eggs, cover eggs with just 1 inch of cold water. Boil water quickly, then, set pan aside covered. Let it stand for 15 minutes. Peel shells under cold water.

EASY CHICKEN DIVAN

1 can (19 oz.) Campbell's Chunky Chicken Soup
2 hard-cooked eggs, chopped
1/2 c. shredded Cheddar cheese
1 tbsp. cornstarch
2 tbsp. water
1 pkg. (10 oz.) frozen broccoli spears, cooked and drained

In saucepan, combine soup, eggs and cheese. Blend cornstarch and water until smooth; add to soup mixture. Cook, stirring until thickened and cheese melts. Serve over broccoli. Makes about 3 cups, 4 servings.

It's only Halloween!

A small admission will be charged to the Haunted House. There will be a minimal price on refreshments. Parking will be off Longview Drive in North Dartmouth.

Adults who would like to help out with the activities or donate refreshments, please call 993-3361.

AN INVITATION to All Mattapoisett Residents and Friends of Manny Nunes

A Committee was organized some time ago to present to Manny Nunes some form of appreciation from the community he has so faithfully served for over fifty years.

The form of appreciation everyone agreed upon that would be most appropriate to our active Highway Surveyor (with many more years to serve) would be a Banquet attended by his many friends.

This Appreciation Banquet will be held on November 6, 1981 at White's Restaurant. You may purchase tickets at the Selectmen's Office or from any of the Committee members: Jack DeCosta, Bob Gingras, Joe Souza, Jim Huntoon, Jim Santos, Tony Nunes. Cost of the tickets are Ten Dollars per person.

Tables of ten may be reserved by calling the Selectmen's Office at 758-3758.

OLD HAMMONDTOWN SCHOOL STUDY OF EARLY MAN

Recently, the students in the sixth grade classes of Mrs. Smith and Mrs. Clarkson constructed huts for a social studies project on their study of early man. Without the use of modern tools the students assembled their huts much like their ancient ancestors did to protect them from the weather. Fellow students who were not involved in the construction of the huts voted on the best designed and constructed hut. This has been an annual project originated by the former sixth grade teacher, Mrs. Trow.

FAIRHAVEN'S ROGERS BUILDINGS SUBJECT OF TALK AT WHALING MUSEUM

"The Rogers' Buildings of Fairhaven" will be the subject of an evening program by Maximilian L. Ferro, AIA, RIBA, of The Preservation Partnership.

Sponsored by the New Bedford Whaling Museum, 18 Johnny Cake Hill, New Bedford, the illustrated talk on Wednesday, November 4, begins at 8 p.m. in the Museum Theater.

Mr. Ferro will discuss the architectural monuments presented to the town of Fairhaven by Henry Huttleston Rogers. Four major buildings -- all designed by the noted New England architect, Charles Brigham - will be featured. These include the Millicent Library, Fairhaven Town Hall, Fairhaven High School and the Unitarian Memorial Church.

Admission will be charged non-members.

from the Institute of Museum Services. According to Museum Director Richard C. Kugler, the Whaling Museum was among those selected from over 1,300 applicants submitting proposals to the Institute, and has received a maximum Grant Award.

The grant is particularly welcome, Kugler said, because it will be used to help meet the financial pressures caused by inflation, the energy shortage and increasing demands on the Museum's services. The Institute, under the Department of Education, is a Federal agency authorized to provide general operating and program support to the nation's museums.

Small Business Financing

The New Bedford Industrial Development Commission has arranged to bring a representative of the Small Business Administration to New Bedford to meet with members of the small business community.

Mr. Hunter Lohman, Chief of the Finance Division of the Small Business Administration, will be addressing local business people on "What the SBA Can Do for Small Businesses" on Wednesday, October 28th,

Yiddish Theater

NOTED THEATRICAL PRODUCER
TO SPEAK AT SMU

Arthur Cantor, raconteur and producer of Broadway plays, will speak at Southeastern Massachusetts University on Tuesday, October 27, on the Yiddish Theater in America and its influence on contemporary theater.

The lecture will begin at 7:30 p.m. in the Recital Hall of the College of Visual and Performing Arts (Group VI) Building.

Among the plays Cantor has presented on Broadway are the Pulitzer Prize-winning "All the Way Home", "A Thousand Clowns", "On Golden Pond", "Private Lives", and "The Constant Wife" with Ingrid Bergman. He recently produced a film, "The Golden Age of Second Avenue", starring Herschel Bernardi, which is a chronicle of the American Yiddish theater.

Cantor's lecture is sponsored by SMU's Center for Jewish Culture as part of its program of presenting Jewish and Yiddish culture to all ethnic groups in the community.

"During the past few years", said Rabbi Bernard Glassman of Tifereth Israel Synagogue and co-director of the center, "there's been a resurgence of Yiddish culture, Yiddish language, and Yiddish literature among young people, particularly those seeking their Jewish roots."

SMU Professor of English Robert Waxler, also co-director of the Center, echoes Glassman's thoughts: "Yiddish culture has had a profound impact on the modern arts in America. Its influence has helped to shape the American theater, the American novel, and the American film."

Tickets for this lecture may be purchased at the door.

JOB AND CAREER STRATEGIES WORKSHOP

The Division of Continuing Studies at Southeastern Massachusetts University is offering a Job and Career Strategies course through its Personal and Professional Development Program. This five-session course begins Thursday, October 29, from 7-9 p.m. in the Group I Building, Room 114. The workshop leader will lead participants through the process of self-assessment; assist in preparing an appropriate resume; provide methods of enhancing the job-search process; and present techniques to improve interviewing skills.

Whether employed or unemployed, entering or reentering the job market, or just thinking of changing careers, those taking the course can enhance their employment future by attending this workshop and acquiring techniques and skills which can insure a successful outcome to a job campaign.

Bridge Schedule

One way travel across the Sagamore Highway Bridge spanning the Cape Cod Canal has returned to its original schedule following the long Columbus Day holiday weekend.

The current weekday schedule allows travel northbound (off Cape) between 5:00 a.m. and 5:00 p.m. and southbound (on Cape) between 5:00 p.m. and 5:00 a.m. On weekends travelers may use the bridge as follows:

5:00 p.m. Friday to 3:00 p.m. Saturday - southbound.

3:00 p.m. Saturday to 5:00 a.m. Sunday - northbound.

5:00 a.m. Sunday to noon Sunday - southbound.

Noon Sunday to 5:00 p.m. Monday - north bound.

"The return to the existing schedule was coordinated with Bourne and Sandwich Selectmen at a recent meeting, and those officials concurred that this schedule best meets the needs of those traveling across the bridge," Colonel C.E. Edgar, III, head of the U. S. Army Corps of Engineers in New England, said.

There are only seven basic units in the metric system, compared to over 50 units in our current system. It is a decimal system, so the quantities of each unit are powers of 10. Calculations then become a simple process of moving the decimal point to the right or the left. The metric system has no dual-use terms, such as our current use of ounces for both weight and fluid measurement.

American Smokeout

NOVEMBER 19 DAY TO STOP SMOKING

The nationwide Great American Smokeout, now in its fifth year, is an educational campaign to get smokers to quit for just one day. Smokeout Day will be celebrated on Thursday, November 19.

In conjunction with this year's Smokeout, the American Cancer Society is offering successful quitters from previous Great American Smokeouts a handsome "I Quit" button. The Cancer Society is also looking for former smokers to lead "Smokers' Liberation" clinics for smokers who wish to join the growing ranks of ex-smokers.

A Gallup survey conducted after last year's Great American Smokeout showed that about five million cigarette smokers did not smoke at all on the day of the Smokeout, and about 2.2 million smokers were still not smoking one to ten days later.

not smoking," said John Wooten, 1981 Massachusetts Smokeout Chairman, and the "World's Strongest Man". A Massachusetts native, Wooten is a martial arts expert, a professional stunt person, and the holder of several world records for feats of superhuman strength. He has performed all of his stunts since he lost a lung to cancer five years ago.

The Great American Smokeout takes a preventive approach to the problem of lung cancer. An estimated 105,000 persons will die of lung cancer this year; amost 80 percent of these deaths will be smoking-related. Most smokers are aware of the hazards of smoking cigarettes.

NAVY OFFERS MEDICAL SCHOOL SCHOLARSHIPS

The Department of the Navy is now accepting applications for Medical or Osteopathic School scholarships which will begin July 1, 1982.

According to Petty Officer Glenn A. Krull, Program Manager for the Navy Medical Scholarships in the New England area, these scholarships are available to students who have been accepted to an American Medical Association or American Osteopathic Association-accredited school, or students already enrolled in such a school.

"Because only a limited number of scholarships exist in 1982," P. O. Krull said, "this scholarship program has become highly competitive."

The Navy scholarship includes four full years of tuition, reimbursement of required books and supplies, a monthly stipend for 10 1/2 months and a commission as a Naval Reserve Officer.

Students interested in this scholarship should contact Petty Officer Glenn A. Krull at Navy Recruiting District, Boston, 470 Atlantic Avenue, Boston, MA., or call 223-6217 (collect).

vember. Along with long term construction plans for three additional on-site surface areas accommodating a total of 162 vehicles, St. Luke's Hospital will increase its parking availability by 272 places.

The parking facility is one phase of St. Luke's construction and renovation program which includes a new six-story patient addition, intensive care and coronary units; expanded outpatient and emergency room; labor, delivery and nursery areas; surgical department; and consolidated administrative services and office functions.

PROVIDER HOSPITAL

St. Luke's Hospital has entered its first affiliation as a provider hospital for a health maintenance organization, Pilgrim Health Care of Southeastern Massachusetts.

St. Luke's Executive Director Alfred J. Smialek and Pilgrim's Executive Vice President Paul R. Egan made the joint announcement that the hospital becomes the first provider hospital for the HMO in the area. A provider facility is one in which the HMO's members receive acute hospital and emergency care. St. Luke's is the eighth hospital in the region to affiliate with the plan.

There are 270 primary and specialty care

physicians from Southeastern Massachusetts who are members of the Independent Practice Association which formed Pilgrim. This large number of doctors means that, in many cases, the patient may retain his own physician when he and his family joins.

Pilgrim Health Care offers doctor's visits and physical exams and vision and hearing screening, in addition to comprehensive hospital and emergency coverage. Employees interested in the plan may call the employer's benefit manager of Pilgrim Health Care headquarters in Middleboro to find out if their doctor is a member.

In discussing St. Luke's decision to affiliate with the HMO, Smialek said, "It is imperative that we take an active role in the fight to curb rising hospital costs. Pilgrim Health Care, as are all HMO's, was formed on the premise of prevention and early detection. We are pleased to help further these goals."

Tournament Bridge

The annual Winter Bridge Championship of the Dartmouth Bridge Club will be held in two sessions at the Congregational Church of South Dartmouth: first session Thursday afternoon, October 29; second session Thursday afternoon, November 5. The starting time for both sessions is 12 noon. This is a Blue-Ribbon Special Event open to all interested bridge partnerships. Suitable inscribed bridge trophies or other valuable prizes will be awarded the over-all winners. Defending champions are Helen Linehan of New Bed-
